Hello all,

I am resubmitting the weekly summary for last week with the addition of some great news that the team forgot to initially add. The CD13 outreach team successfully housed a client last week! Hooray!

**Approximately 6 people may have been identified as the most vulnerable clients**

### Special notes and request:

- o The outreach team met with 2 people at the LA River, one very vulnerable client but both refused services.
- o Participated in NELA, Maintenance & Outreach, and 3 hours at LA River
